Unlock the Power of CIRMA e-Learning Tools for Public Schools

Available in Partnership with Vector Solutions

Industry trends, regulations, and municipal exposures are always changing. That's why CIRMA provides convenient, online training and education opportunities to help you stay ahead of the game. We're thrilled to offer our members exclusive access to Vector Solutions training, featuring robust school-centric e-Learning courses—delivered through an award-winning training management system.

Trusted by thousands of K-12 administrators, Vector Solutions training delivers high-quality, expert-authored courses on important safety and prevention topics. Courses are written by leading experts and are available through one convenient online platform.

Unlock the power of CIRMA's e-Learning resources and save valuable time and money today.

Automated Features Make Administration Easy

- Set up personalized training plans in minutes for groups of staff, new hires, or individuals.
- Keep everyone on track with email notifications and reminders of assignments.
- Track course completions in real-time.
- Receive compliance reports directly in your inbox.
- Integrate Vector Training with systems you already have in place through LDAP/Active Directory, Single Sign On (SAML Integration), and SCORM LMS.
