Unlock the power of CIRMA e-Learning tools—our latest investment in your employee training and compliance

We're thrilled to offer our members exclusive access to Vector Solutions' Vector LMS for your training and education needs. This new robust learning platform features courses tailored to public entities like you— all delivered through an award-winning education and training management system. Vector Solutions features online training courses proven to educate employees and reduce liability.

CIRMA members will have exclusive access to this impressive platform to help educate their employees to improve workplace safety, maintain compliance, and effectively mitigate losses. Courses are available for employees to learn at their own pace, 24 hours a day, seven days a week. Members can also explore the latest topics and trends relevant to their world and maintain compliance with CIRMA's On-Demand Webinars, conveniently accessible via the Vector Solutions portal.

Have questions? We're here to help.

For more information about [CIRMA's e-Learning Center](#), please contact Ian Havens, ARM, Manager of Risk Management Services at ihavens@ccm-ct.org or 203-946-3709.
