

CIRMA: SUPPORTING CONNECTICUT'S BLUE

You serve all. We serve you.

BUILT FOR LAW ENFORCEMENT BY LAW ENFORCEMENT

CIRMA's Law Enforcement Risk Management Program is led by a team of dedicated risk management professionals who bring decades of front-line law enforcement experience, legal expertise, and instructional leadership to the table.

With backgrounds as command staff, certified police trainers, licensed attorneys, and graduates of premier institutions such as the FBI National Academy, our team understands the complex realities that officers face. Our team leverages this insight to deliver practical, legally sound, and mission-critical support that empowers departments to operate safely, effectively, and with public trust at the forefront.

POST-RECOGNIZED COURSES

What sets CIRMA apart is our understanding that no two departments are alike. That's why we provide customized, Connecticut-focused training that addresses the real-world needs of our local heroes, not generic, one-size-fits-all modules from a national insurer.

Our growing catalog of POST-recognized courses was designed with purpose and precision. Whether you're addressing legislative mandates, operational safety, or officer wellness, CIRMA's law enforcement training helps departments stay compliant, confident, and prepared.

Cutting-edge virtual reality technology. This state-of-the-art training system leads to better decision-making by law enforcement to mitigate losses and improve community trust.

LIABILITY RESPONSE WHEN YOU NEED IT MOST

When a critical incident occurs, timing and expertise matter. **CIRMA's Law Enforcement Liability Critical Response Team** springs into action to support law enforcement agencies through high-risk, high-visibility events.

Our specialized team partners with Connecticut's top municipal defense attorneys—professionals who understand the legal landscape and the complexities of modern policing. You can count on CIRMA to help you navigate the most difficult moments. In law enforcement, how you respond can define your legacy.

Together, we provide trusted, immediate support that helps CIRMA members:

- Respond appropriately and lawfully
- Preserve public trust
- Minimize reputational damage
- Resolve incidents swiftly and strategically

ON-DEMAND EDUCATION FOR A CHANGING WORLD

Law enforcement today faces constant change—from new accountability standards to evolving public expectations. That's why CIRMA equips your team with on-demand, always-accessible eLearning programs developed through our partnership with Vector Solutions, an industry leader in online training systems.

Courses cover a broad range of critical topics, including:

- De-escalation tactics
- Duty to intervene
- Mental health awareness
- Use-of-force standards

Law enforcement professionals can learn at their own pace, on their schedule, through relevant coursework constantly updated to reflect emerging issues. This kind of flexible, forward-looking education empowers your team to lead with confidence. CIRMA understands the unique demands and responsibilities of local law enforcement agencies, as we work alongside them every day. Our services aren't just policy perks—they're part of a broader commitment to protecting your people, operations, and reputation.
