The [eLearning Center](#) extends the reach of our instructor-led training and education programs, enabling employees to learn important risk management topics – **when and where** their work schedule demands it, from any computer or mobile device with internet access. A printable certificate is issued upon successful completion of each program.

For more information about CIRMA's eLearning Center, please contact Martin Connelly, at mconnelly@ccm-ct.org or 203-946-3743.
